Musical Theatre	Wednesday 5:15-6:30
Acro	Thursday 4:15-5:00
Improv	Thursday 5:15-6:30

### What does Track 1 look like?

All tech classes are taken. Ballet tech, jazz tech, contemporary/modern tech. Once we start doing choreography there's no time to fit both tech and choreo into the class time and do both justice. The tech classes will allow the dancers to keep growing in their technique while they are learning and perfecting their competitive dances. Track 1 students have dance as a high priority in their lives. Dancers need to make attendance a priority. Some absences are valid and others not (AT THIS LEVEL). We want to be able to provide a high level training program for committed dancers. When a dancer doesn't come to class they miss learning choreography and important technical elements. This program is fast paced and having to re-teach a second week in a row doesn't allow for a fast pace.

### What does Track 2 look like?

A place for someone to compete who doesn't have the time for everything. We realize that some students have jobs, have other priorities, do other sports or arts, but they still want to have a chance to compete. This program allows for dancers to still compete in festival but on the scale that they can. Medium priority in the dancers life.

### Competition Expectations

KPC attends 2-3 competitions per season as well as one in-house competition. Travel is required for these competitions. Destinations vary but have included Kelowna, Penticton, Vernon and Lake Country. A schedule will be sent to parents as soon as competitions are booked. KPC does not require you to purchase your child's costume! We have a costume rental program. The rental fee is \$25/dance.

1 class - \$60/month

2 classes - \$112/month

3 classes - \$156/month

4 classes - \$192/month

5 classes - \$220/month
